## Assignment-2

## Truth Table

[illegible]

The screenshot shows the 'Table' tab in the 'Combinational Analysis' software. The table contains 16 rows of binary data (0s and 1s) across 16 columns. The columns are labeled 'Inputs', 'Outputs', 'Table', 'Expression', and 'Minimized'. The 'Table' tab is currently selected, showing a grid of 16 rows and 16 columns of binary values.
